Engineer: Bradbrook Consulting

WINCANTON BUILDING BEAM REACH – RAINHAM

Marbank have completed a number of buildings on the Thames Gateway site of Beam Reach in Rainham, Essex for developer Easter. The most recent is the data records storage centre for Wincanton. A 150,000 ft² unit with potential for extension. In order to make the development accessible Marbank also completed the full construction of a loop road for Local Authority Highways adoption.

St Georges House, 24 Queens Road, Weybridge, Surrey KT13 9UX
